"HOC SIGNO FORTUNA."

BALTIMORE, THURSDAY, NOV 12th. 1818.

On our fourth page will be found the nineteenth and last drawing of the Masonic Hall lottery—the Managers' official list of Prizes in the whole scheme is now printing, and will be forwarded to our agents in different parts of the Union for the examination of tickets—It will also be sent to such Post-masters who may desire it for the information of their respective neighborhoods.

Extensive and Melancholy Conflagration.

On Tuesday evening last, the splendid Exchange Coffee House in Boston, and a number of other valuable buildings in its vicinity, were destroyed by fire. A particular account of this unhappy event follows.

BOSTON, Nov. 4, noon.

Last evening, at about 7 o'clock, the Exchange Coffee House, in this town, took fire and burnt down. The fire first broke out from the north-west corner of the SEVENTH STORY, and is said to have caught from a lamp suspended from the wall in the billiard-room, in which two gentlemen had been playing a short time before, but which had been left unattended. The fire soon communicated to the roof, and extended very rapidly to the adjoining parts of the house. No great damage however was apprehended from it for some time. The flame which had burst out from the roof was for some time suppressed, so that the bells ceased ringing. In about half an hour it was found that the building could not be saved, and soon after the flames burst from almost

every part of the building. There was a slight wind from the south-west, which drove the flames and burning cinders towards the lower parts of State-street.—All the neighbouring houses were immediately exposed, from the moment that the fire broke out from the roof and windows. The exertions of the firemen and every class of citizens were immediately conspicuous in every direction. Water was supplied in abundance wherever it could be of service, by means of the engines, and buckets which were served on the exposed roofs and windows with great intrepidity, and the fire was immediately extinguished wherever it caught, except in the immediate vicinity of the walls.

The dome and roof of the Coffee-House fell in about 9 o'clock, and some time after the north wall and part of the south fell, together with the whole of the inner wall which surrounded the area. Before 12 o'clock, the whole building, together with the building annexed to it on Devonshire street, including the four story building belonging to major Price, was consumed.

The buildings on Congress-street, opposite the front of the Coffee-House, were on fire for an hour or two, and in consequence of the heights of the wall opposite and the narrowness of the street, it seemed impossible to save them, yet so constant and abundant was the application of water, that they were little burnt, except part of the roofs. The buildings on the north side of the Coffee House, between it and State-street, were somewhat injured by the falling of the wall, and a little by fire.

The Coffee-House was owned by a company, in 400 shares, who hold it by purchase from the original proprietors. The cost of the building was about half a million of dollars. Mr. Barnum, the

keeper of the hotel, is a great loser, particularly in furniture and liquors. We are informed that he has put into the house, within the last two years, \$16,000 worth of furniture. Other individuals have lost much in the building.

NORFOLK, Nov. 7.

SAILING OF THE MACEDONIAN.

The United States Frigate *Macedonian*, JOHN DOWNES, Esq. Commander, got under weigh, from the Navy Yard at Gosport, yesterday morning about 11 o'clock, and came to anchor in Hampton-Roads about 2, P. M. She was completely equipped with all necessary stores for a long cruise, and sailed into the Roads with as much facility as when she came up to the Navy-Yard, about three weeks ago, without many of our citizens being apprized of her approach. Her appearance yesterday was very impressive, for she was in elegant order, and, as we learn, much better prepared for her cruise, than when she left Boston, being furnished with many spare articles of equipment, which from peculiar circumstances, could not be obtained in Boston at the time of her outfit. She will probably sail from the Roads on Sunday, bound to the North-West Coast of America.

APPOINTMENT BY THE PRESIDENT.

SMITH THOMPSON, of New-York, Secretary of the Navy, in the place of Benjamin W. Crowninshield, of Massachusetts, resigned.

SPLENDID DIVIDENDS,

Which may be obtained by the investment of comparatively trifling sums
in the magnificent Scheme of the

Great University Lottery.

Besides ONE HUNDRED PRIZES OF ONE THOUSAND DOLLARS.

EVERY PRIZE PAYABLE IN CASH AT THE BRANCH

Bank of the U. States.

WHOLE TICKET,	price \$100,	may produce	250,000 DOLLARS!
HALF	do.	do.	50, do. 125,000 DOLLARS!
QUARTER	do.	do.	25, do. 62,500 DOLLARS!
FIFTH	do.	do.	20, do. 50,000 DOLLARS!
EIGHTH	do.	do.	12 50, do. 31,250 DOLLARS!
TENTH	do.	do.	10, do. 25,000 DOLLARS!
SIXTEENTH	do.	do.	6 25, do. 15,625 DOLLARS!
TWENTIETH	do.	do.	5, do. 12,500 DOLLARS!

BY THE ABOVE SCALE,

It will be seen that on an investment of FIVE DOLLARS ONLY, by purchasing as small as a Twentieth Ticket, the handsome sum of TWELVE THOUSAND FIVE HUNDRED DOLLARS may be obtained, and in the worst event, should an adventurer draw a Blank, what is his loss?—the trifling amount of a Five Dollar Note.—Extend the investment even to the also small sum of Twenty Dollars, and if fortunate it will produce the amount of FIFTY THOUSAND DOLLARS—surely the risk is not to be looked at, in comparison with the splendid independence which may result from the trial.—In order to accommodate adventurers of every class, Shares of all the above denominations have been expressly engraved for purchasers at Cohen's Office, so that every one may go to the extent he may think proper, from the amount of a Twentieth up to the full price of a Whole Ticket, which may yield the MAMMOTH CAPITAL OF

Two Hundred and Fifty Thousand Dollars !!

The greatest attention will be paid to ALL Orders, (for Whole Tickets or for the smallest Share) and to accommodate adventurers who may prefer shares, their Orders will be supplied at the same proportion as the Whole Tickets, without any additional charge.—Address to

J. I. COHEN, Jr.
